The luxury Apartments

We will accommodate you in a stunning collection of luxury apartments set on twin towers crowned with a penthouse. The vibrant development features a sense of finesse which projects a notable mark on the Accra Skyline coupled with spectacular views of the city. The Architectural orientation is essentially a work of art unlike any other in the world. Its unique design was inspired by the historic and cultural significance of Ghana's Adinkra Symbol 'Mframadan' denoting resilience, strength and sturdiness.

The design coherently blends African heritage with complex architectural geometrics. It has open plan living areas, fully fitted kitchens, exquisite bathrooms, private distinct gardens on each floor overlooking Africa's capital of cool. The signature's construction is by the renowned Mitcheletti Limited.

Apartment amenities include:

- Roof top swimming pool & bar
